

**RURIS**<sup>®</sup>  
*power for nature*

**SC RURIS IMPEX SRL**  
**Romania**

## ***About***

 Established in 1993 with Romanian private capital, RURIS is the only Romanian producer of agricultural machines covering a whole range of activities required in gardening.

 Our motto “power for nature” led the company to create products with high reliability and high productivity, in accordance with EU requirements and standards.

Ruris manufactures and distributes an extensive range of **equipment for modern agriculture:**

**TILLERS**

**BRUSHCUTTERS**

**MOTORMOWERS**

**CHAINSAWS**

**LI-ION MACHINES**

**MIST DUSTERS**

**WATER PUMPS**

**POWER GENERATORS**

**FOOD PROCESSING MACHINERY**

**SNOW REMOVAL EQUIPMENT**

**MILK EQUIPMENT**

## ***Research and development***

 Ruris has its **own research and development department**

 Ruris **fully designs** the equipments and tests them **accordingly to European standards.**

 Ruris innovations for the needs of domestic users:

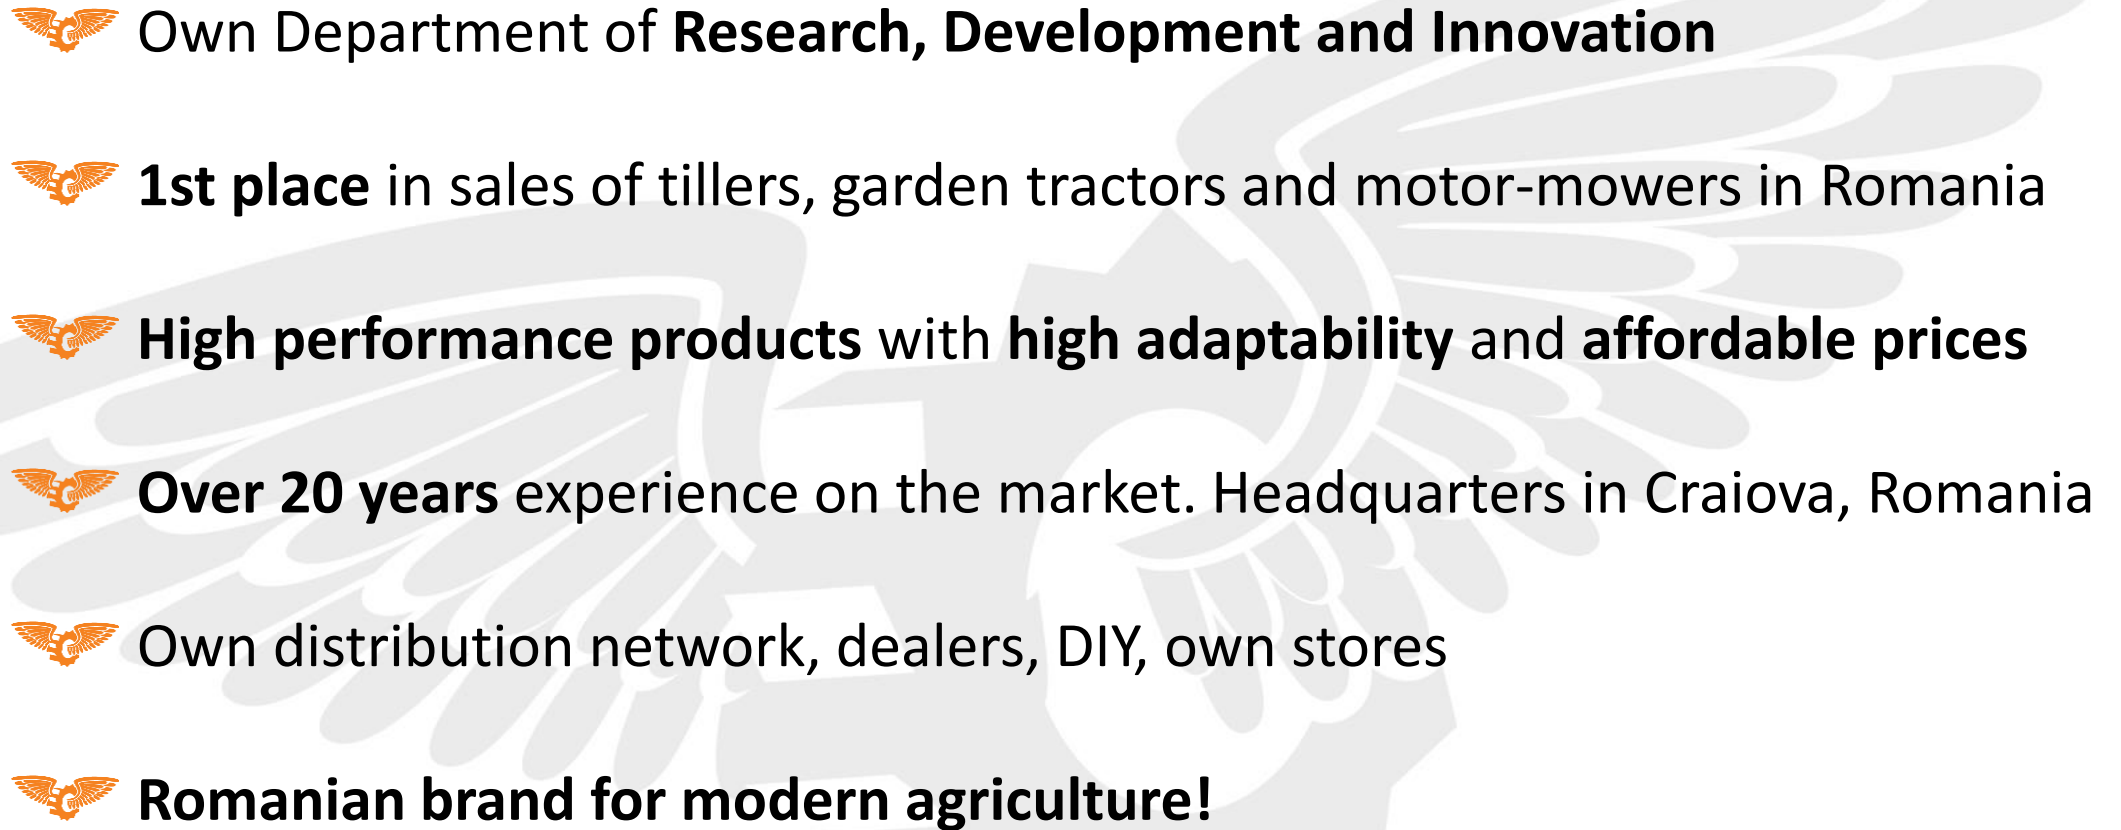

- *Tiller and motormower – innovative gearbox – increased strength*
- *Tiller and motormower – shape of knives - 50% faster processing*
