MIȘCAREA ROMÂNĂ PENTRU CALITATE PERFORMS INSPECTION AND CERTIFICATION OF ORGANIC FOOD PRODUCTS

CERTIFICATION OF ORGANIC FOOD PRODUCTS

Certification of food products is made in compliance with 834/2007 Regulation (EC) on organic production and labeling of organic products.

Rules for implementing the (EC) 834/2007 Regulation are set out in the 889/2008 Regulation (EC).

Through certification is ensured that organic products are produced in accordance with the requirements laid down under the Community legal framework on organic production, activities performed by operators at all stages of production, preparation and distribution of organic products are subject of a control system set up and managed in conformity with the rules laid down in Regulation (EC) no. 882/2004 of the European Parliament and of the Council of 29 April 2004 on official controls performed to ensure the verification of compliance with feed and food law, animal health and animal welfare rules.

**MIȘCAREA ROMÂNĂ PENTRU CALITATE, ACCREDITED BY RENAR,
is approved by MINISTRY OF AGRICULTURE AND RURAL DEVELOPMENT (MARD)**

Inspection and certification bodies in Romania are approved by MARD to carry out inspection and certification of organic food products in Romania, according to MARD Order no. 181/2012 and are accredited by RENAR, in accordance with EN ISO/CEI 17065:2013.

Research-developing in quality field and connected fields by participating to the European Union and National Programmes, as:

- Project “Increasing the capacity of labor market integration of students and graduates through counseling and practical placements”, financed from European Social Fund Sectoral through Sectorial Operational Programme Human Resources Development 2007-2013. Project budget: 2.758.465 Euro

The overall objective was to strengthen a powerful framework to support transition from school to work of romanian students by counseling and organizing internships in companies from European Union. Therefore, 5300 romanian students received career counseling and guidance through thematic excursions and study visits to organizations in Romania, 200 romanian students performed practical placements in companies located in the European Union and 160 romanian students performed practical placements in companies located in Romania.

- Project “TRANS-NATIONAL UNIVERSITIES PARTNERSHIP - undertaking for pupil practice” financed from European Social Fund Sectoral through Sectorial Operational Programme Human Resources Development 2007-2013. Project budget: 2.962.138 Euro

The overall objective was to increase the relevance of practical training by promoting collaborative networks between universities and enterprises in the European Union, the opportunities for training in these networks through quality traineeships, supporting the transition from school to working life. Through this project, 450 romanian students benefited of practical placements in companies located in European Union and 90 romanian students performed practical placements in companies located in Romania.

- Other projects developed by MIȘCAREA ROMÂNĂ pentru CALITATE:

- Project SEROP - Employment Services Performance - Developing, implementing and evaluating quality public services employment strategy.

- Project „Cross border Training Centre for Services in Quality”, Romania-Bulgaria Cross-Border Cooperation Programme 2007-2013.

- Project „Services provided by specialized organizations in order to identify the independent experts for the assessment of proposals received for the competition launched in 2007 for research and development of public infrastructure”.

- Project "Center for Increasing the Cross border Competitiveness (CTCC) by Promoting Quality Culture in Relation to Businesses, Public Authorities", Romania Bulgaria - RO 2006/018-445.01.02, Phare CBC 2006.
